

Responses to Questions for Disaster Monitoring and Recovery Services RFP

Correction – Responses to the RFP for Disaster Monitoring and Recovery Services should be clearly labeled with Debris Management and Removal Services 2014-08-02. Each RFP is due in to Pasquotank, Camden, and City of Elizabeth at their respective location by 4:00 pm on September 8, 2014.

Correction to Pricing Proposal Form – All hourly rates shall be fully loaded. No separate cost for per-diem, lodging, communication, mobilization and de-mobilization, and travel may be considered.

Questions have been received regarding specific areas of concern regarding qualifications and Automated Debris Tracking and Reporting Systems within Pasquotank, Camden and the City of Elizabeth City's Disaster Monitoring and Recovery Services RFP. As referenced in the RFP Section I – *Exceptions to the Request for Proposal* – "It is anticipated the Proposers may find instances where they may take exception with certain requirement or specification of the RFP. All exceptions shall be clearly identified, and written explanations shall include the scope of the exceptions, the ramifications of the exceptions for the county/city, and a description of the advantage to be gained or disadvantages to be incurred by the county/city as a result of the exceptions."

Clarification – *Other Considerations* – Contractor shall provide adequate safety equipment and proper warning devices for conducting work on streets and highways for their personnel.
